

Privacy policy

OpenEye/Imabulary will not disclose any of your private information to others, and we are not using your information or email address provided by you for any other purpose than communicating with you.

Project Galleries

Project galleries which you prepare and which can be mailed out by you to recipients in your email lists can be viewed by clicking on the URL link in the mail. Information contained in these Project Galleries could be viewed, but not altered and are purely for the purpose of you promoting your images.

These stipulations may change from time to time without notice.
